Backflow Irrigation - Fire Supression

SLUD is not responsible for the individual or individual's work on the customer's property. This is simply a list of every Backflow Tester registered with the district. Updated 09/09/2020.

If homeowners wish to use a backflow tester not on this list, the tester needs to come into the SLUD Office to register with us before starting any work in the district. There is a \$25 registration fee or additional costs associated with using a backflow tester not listed here.
